Hospitals

Seneca Healthcare District

199 Reynolds Road
Chester, CA 96020-0737
530-258-2067

Provides emergency services. The emergency room has a physician on call 24 hours daily. Emergency response is provided by the Chester Fire Department, Westwood Fire Department and the Peninsula Fire Department ambulances. The ambulance services are staffed by Paramedics and/or Emergency Medical Technicians qualified to deliver advanced cardiac life support. Emergency transfers to hospitals in Chico, Reno, or other urban areas are available by aircraft and ground transport.

Enloe Medical Center Esplanade

Emergency Department
1531 Esplanade
Chico, CA 95926
530.332.7330

Enloe Medical Center is the area's Designated Level II Trauma Center. Board Certified emergency physicians, trauma surgeons and allied medical professionals are available 24 hours a day to handle emergency illnesses and injury. Enloe's Emergency Services Department is also designated for emergency pediatric care and includes specialized equipment to treat children. Enloe's comprehensive emergency operations include a ground ambulance program serving residents of Butte, Glenn and Colusa counties 24 hours a day, and [FlightCare](#), an air ambulance and [membership program](#) that provides 24-hour coverage to the rural areas of the far north state.

Banner Lassen Medical Center

1800 Spring Ridge Dr.
Susanville, CA 96130
(530) 252-2000

Directions

From Hwy 36/Main Street in Susanville take Hwy 139 North past Lassen Community College and take a right on Spring Ridge Drive. Banner Lassen Medical Center is located on the right hand side.

Banner Lassen Medical Center in Susanville, Calif. originally opened in 1883 as Lassen County Hospital.

In 1994, Lutheran Health System assumed management

responsibility for the hospital and purchased the hospital from St. Mary's Hospital in 1999. That year, the Lutheran Health System merged with Samaritan Health and became Banner Health.

Banner Health decided to build a new facility north of town and the new Banner Lassen Medical Center opened in May 2003.

A 25-bed, critical access hospital, Banner Lassen offers quality care.

Hospitals: *continued*

Renown Regional Medical Center (off Highway 395 south)

1155 Mill Street
Reno, NV 89502

As a Level II trauma center, Renown Regional provides services in a wide variety of specialties including cancer, heart, neurosciences, orthopedics, surgery, intensive care, and women's and children's services. Renown Regional is home to the area's only fellowship-trained and board-certified radiologists that are supported by a PET/CT scanner, the region's only comprehensive cardiac 64-slice CT scanning program and northern Nevada's only biplane angiography machine. Renown Regional also offers access to the largest number of clinical research trials in the region.

Saint Mary's Regional Medical Center

235 West Sixth Street
Reno, Nevada 89503
775.770.3000

Delivering high-quality health care where it's needed most – with concern, compassion and respect – is more than a tradition at Saint Mary's. For almost a century it has been our mission and remains at the heart of everything we do. We are committed to meeting the needs of an ever-changing community, through programs and services designed to meet a multitude of patient needs. From state-of-the-art cardiac care to pre-natal classes and cancer prevention screenings, emergency services to home care.

Lassen National Forest: Forest Service Regulations

- Motor vehicles and motorized equipment are not allowed in wilderness areas.
- Preserve the wilderness - "Leave only footprints, take only pictures."
- Using a trail, campsite, or other area of the wilderness area by a group of more than 25 members is prohibited except by special-use authorization.
- Fireworks and explosives are prohibited in the National Forests.
- Firing a gun is not allowed: in or within 150 yards of a residence, building; campsite, developed recreation site, or occupied area, across or on a road or body of water; in any circumstance whereby any person may be injured or property damaged.
- Pets must always be restrained or on a leash while in developed recreation sites.
- Pets (except guide dogs) are not allowed in swimming areas.
- Saddle or pack animals are allowed in recreation sites only where authorized by posted instructions.
- Obey all traffic signs.
- State traffic laws apply to the National Forests unless otherwise specified.
- When operating vehicles of any kind, do not damage the land or vegetation or disturb wildlife. Avoid driving on unpaved roads or trails when they are wet or muddy.
- Within campgrounds and other recreation sites, use cars, motorbikes, motorcycles, or other motor vehicles only for entering or leaving, unless areas or trails are specifically marked for them.
- Park only in marked parking areas.
- Do not block, restrict, or interfere with the use of roads or trails.
- Obey area and trail restrictions on the use of trail bikes and other off-the-road vehicles.

Campfire Permits are Required

California Campfire permits are required beginning May 1st of each year until the officially declared end of fire season. Permits are required for charcoal fires, stoves and campfires outside of developed recreation areas (campground or picnic area). Permits are available free at any Forest Service, Bureau of Land Management or California Department of Forestry Office. Remember that regulations governing campfires are specific to each National Forest and change with weather conditions and the seasons. **Before each visit check with the Forest Service for current campfire restrictions.**
